About Our Health System:

UPMC Altoona is a 380-bed regional health care system providing care to residents of a seven-county area in Central Pennsylvania. As a regional health care provider, UPMC Altoona is a level II trauma center, regional oncology and cardiology/cardiac surgery center, and a JCAHO-certified stroke center. The health system has over 300 physicians on its Medical Staff.

UPMC Altoona

UPMC Altoona is part of the UPMC system — a world-renowned health care provider (over 20 hospitals) and insurer.

About the Practice:

UPMC Altoona's Family Medicine Residency Program is seeking an additional board certified/board eligible (must become board certified within five years) ob-gyn to join its clinical faculty team.

This employed position is an opportunity to work in a dynamic environment with an outstanding clinical faculty. The majority of the position's responsibility is to provide direct patient care, with additional responsibilities to include: planning and implementing educational programs for graduate training in the Family Medicine Residency Program, supervising interns and residents, and organizing and implementing curriculum.

Donald Beckstead, MD, is program director of Altoona Family Physicians medical office and Family Medicine Residency Program.
