Blair Medical Associates

An affiliate of UPMC Altoona

Endocrinologist

The Practice:

Blair Medical Associates (BMA) – Endocrinology division is comprised of 3 Board Certified Endocrinologists, 3 Physician Assistants, and 2 certified Diabetic Nurse Educators.

BMA is the premier multi-specialty group practice serving central Pennsylvania since 1972. BMA provides inpatient and outpatients medical services in: Internal Medicine, Family Practice, Cardiology, Hematology/Oncology, Neurology, Endocrinology, Dermatology, Pediatrics, Wound Care, Pulmonology, Plastic Surgery, and Urology. BMA has a total of 44 physicians including 20 primary care MDs/Dos, and 20, mid-level providers. For more information, please visit www.bma.md.

The Opportunity:

Join the BMA Endocrinologists, who have an average tenure of 15 years of providing care to our community. Patients are referred from the primary care physicians at BMA as well as from the 70 primary care physicians in our community. Competitive salary and full-benefit package.

The Community:

The Altoona/Blair County/Central Pennsylvania region is a family-oriented community with excellent school systems, abundant cultural amenities, easy access to larger, neighboring cities, and unlimited outdoor and recreational opportunities. For more information, please visit altoonaregional.org/resourcecenter.

AN EXCEPTIONAL
OPPORTUNITY IN
CENTRAL PENNSYLVANIA

The Health System:

UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) is a 400-bed health care system providing care to residents of a six county area in Central Pennsylvania. As a regional healthcare provider, UPMC Altoona is a Level II trauma center, regional oncology and cardiology/cardiac surgery center, and a JCAHO-certified stroke center.

BMA is affiliated with UPMC Altoona.
