

About Our Health System

UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) is a 400-bed regional health care system providing care to residents of a six-county service area in central Pennsylvania. UPMC Altoona is a level II trauma center, regional oncology center, and a JCAHO-certified stroke center. UPMC Altoona provides comprehensive cardiology and cardiovascular surgery, behavioral health and a vascular and wound care center. The Health System's medical staff is comprised of approximately 400 primary care physicians and specialists.

About UPMC Altoona Trauma & Emergency General Surgery

UPMC Altoona Trauma & Emergency General Surgery provides trauma surgery services and acute care general surgery at UPMC Altoona: a 400 bed tertiary care hospital. UPMC Altoona's trauma service area is comprised of 20 counties and a service area population over 1 million. UPMC Altoona is a PA Trauma Systems Foundation accredited level 2 trauma center. Altoona Trauma service includes 6 physician assistants and a trauma ICU. Annual patient volume is 1800+ patients with approximately 95% being blunt trauma. Practice case mix is 65% trauma/35% non-trauma.
