

Urology Physician UPMC ALTOONA Regional Health Services

About Our Health System

UPMC Altoona (part of the University of Pittsburgh Medical Center hospital network) is a 400-bed regional health care system providing care to residents of a six-county service area in central Pennsylvania. UPMC Altoona is a level II trauma center, regional oncology center, and a JCAHO-certified stroke center. UPMC Altoona provides comprehensive cardiology and cardiovascular surgery, behavioral health and a vascular and wound care center. The Health System's medical staff is comprised of approximately 400 primary care physicians and specialists.

About The UPMC Altoona Urology

UPMC Altoona Blair Medical Associates' Urology Department is in the growth mode and set for expansion. This department, currently comprised of 2 urologists & 1 PA, is expected to grow to 4+ physicians. The hospital has 12 ORs and 1 dedicated Cysto Room. The ambulatory Surgery Center on the hospital campus has 6 ORs. The hospital has a da Vinci SI robotic surgical system.

About The Opportunity
